WORK EXPERIENCE

Sacom Integrale Pub - Algeria, Setif

Web developer

[06/2022 - 09/2022]

- Developing and maintaining websites and be able to take on full projects alone.
- Communicating and negotiating project details with customers.

PROJECTS

[08/12/2025 - Current]

Efficient VSR using PEFT of a frozen Self-Supervised Learning frozen backbone As a master's thesis, this study is on testing the possibility for a lightweight approach for a visual-only lip reading model starting from a AV-Hubert-based pretrained model and applying PEFT techniques and comparing the outcomes.

[2024]

AI-Generated Art Detection Conducted research project exploring techniques to distinguish AI-generated images from real art, currently achieved 94% accuracy.

[2022 - 2023]

Self-Supervised Learning for Epileptic Seizure Detection Conducted a research project applying self-supervised learning techniques for EEG signal classification, achieved an accuracy of 99.08%, sensitivity of 83.33%, and a FPR of 0.06.

[2019]

Archi-Design Studio Website Designed and deployed a commercial website for an architecture studio.

EDUCATION & TRAINING

M.Sc. Internet of Things

University of Salerno [10/2023 - Current]

City: Salerno | Country: Italy

Level in EQF: 7

M.Sc. Data Engineering and Web Technologies

University Ferhat Abbas Setif 1 [09/2021 - 07/2023]

City: Setif | Country: Algeria

Level in EQF: 7

B.Sc. Computing Systems

University Ferhat Abbas Setif 1 [09/2018 - 09/2021]

City: Setif | Country: Algeria

Level in EQF: 6

CONFERENCES & SEMINARS

[31/07/2024] Salerno, Italy

Working on "AI-Generated Art Detection" research project

[14/03/2023] Setif, Algeria

"Mathematics in Artificial Intelligence," The International Day of Mathematics

[12/2019] Setif, Algeria

Devday's Flutter workshop, GDG Setif - Google Developers Group

[05/2019] Setif, Algeria

Gamedev with unity course, SDG Setif - Setif Developers Group

[07/2019] Setif, Algeria

Java Time, Java workshop, SDG Setif - Setif Developers Group

[11/2018] Setif, Algeria

Design workshop Devfest 2018, GDG Setif - Google Developers Group

HONOURS AND AWARDS

[01/01/2023] University Ferhat Abbas Setif 1

Title of Magna Cum Laude Graduated 2nd out of 72 students during M.Sc.

[01/01/2021] University Ferhat Abbas Setif 1

Title of Magna Cum Laude Graduated 2nd out of 334 students during B.Sc.

SKILLS

Programming skills, Frameworks and Tools

Python – Advanced | Java – Intermediate | JavaScript – Intermediate | HTML/CSS – Advanced | SQL – Intermediate | C/C++ – Intermediate
| PyTorch – Intermediate | Keras – Advanced | TensorFlow – Advanced | Arduino – Intermediate | Unity – Intermediate | Flutter – Basic |
Git & GitHub – Advanced | WordPress – Advanced

Organisational and Managerial Skills

Task Prioritization – Advanced | Deadline Management – Advanced | Initiative and Autonomy – Advanced | Event
Participation/Collaboration – Intermediate

Soft Skills

Communication - explained technical concepts to non-tech clients | Organizational - managed many university workshops, events and
projects with university clubs | Teamwork - worked in dev teams at SACOM and in different projects | Adaptability - Studied in multiple
countries/languages

LANGUAGE SKILLS

Mother tongue(s): Arabic

Other language(s): English | Italian | French

HOBBIES AND INTERESTS

Graphic Design Enjoy creating digital art and experimenting with design tools.

Hiking Regularly explore nature trails and enjoy physical activity.

I authorize the processing of my personal data pursuant to Legislative Decree 30 June 2003, n. 196 "Code regarding the protection of personal data".
